

## Funeral Catering Packages

We are experienced in providing catering services for funerals and have become very familiar with many of the local church halls. We pride ourselves in offering a professional and considerate service.

We can provide a delivery only service where we deliver the food and leave it with you to enjoy. Alternatively, we offer a fully staffed service where we will assist throughout to set-up, serve food and drinks and clear everything away at the end, ensuring you and your guests are treated with the utmost care and attention.

We are available to cater for small and large groups, at home or at your chosen venue. Our menus are flexible and we are able to cater for special dietary requirements. As a licenced caterer, we are also able to provide alcoholic beverages if required.

With options available from just £10 per head, please get in touch to discuss your requirements.
